FILDEX[®] PREMIUM OIL FILTERS

The environmentally friendly FILDEX[®] oil filters are essential to the auto engine. Using FILDEX[®] quality oil filters will maximize engine efficiency and life span. As oil circulates and passes through the filter, filter protects the engine by trapping any redundant particles. Oil Filtration is vital since proper lubrication is necessary for the engine. FILDEX[®] oil filters offer the proper lubrication, for your engine.

FILDEX[®] OIL FILTERS FEATURES:

LONG SERVICE LIFE

LOW FLOW RESISTANCE

HIGH FILTERING PRECISION & MAXIMUM ENGINE PROTECTION

EXTRA DIRT-TRAPPING CAPACITY*

EXTRA DIRT-HOLDING CAPACITY*

HIGH QUALITY MATERIAL (FILTER SHELL, CENTER TUBE, GASKET, ETC.)

*FILDEX[®] Filters give 3X more engine protection and 2X more useful lifetime than the average of leading economy filters.
